

SEASON 2025

Celebrating 40 years

ADELAIDE
CHAMBER
SINGERS

All about You

As we celebrate our 40th Anniversary, we rejoice in the power of the human voice and that Adelaide Chamber Singers' diverse voices and talents unite to create extraordinary music. This milestone is a testament to the collective passion, dedication, and creativity that have brought us together and allowed us to build something truly outstanding. In these 40 years, we've not only crafted beautiful works, but forged lasting connections, shared so many moments of joy, and inspired each other to reach new heights.

Over the last four decades the world has seen remarkable change, but our determination to offer the most incredible affecting concert experiences continues. In 2025 we reflect on our deep connection with Adelaide by using photographs of our stirring and stunning landscape to illustrate our concert artwork.

Each concert this year contains a piece by the magnificent composer Arvo Pärt who turns 80 in 2025. The music of Pärt has been a part of ACS' musical life since our inception. Each inspirational program introduces you to new composers and compositions, celebrating a diversity of genres, ideas, and superb narratives. For two of this season's concerts, we invite you into our creative process at different stages in the journey. We welcome you to attend our *In the Making* open rehearsals and a special pre-concert talk before *Celebrate You* – our 40th Anniversary concert.

None of this could have been possible without you, our audience, who for 40 years have continued to support our music-making and dreams and have a sense of pride and ownership of your Adelaide Chamber Singers. Without you, we would not have had such a successful beginning with our Rising Voices, who are now a flourishing choir and will join the ACS core ensemble for several projects this year. Without you, our hearts would not be full to bursting, walking on to so many stages across Adelaide, Australia and the world. Without you and your unflinching support, we could not bring our musical expertise to so many audiences, both at home and abroad. Together we celebrate ACS' vibrant future as we continue to come together through the life-changing power of music.

Christie Anderson, Artistic Director and Conductor

ACS

Adelaide Chamber Singers (ACS) is widely respected as Australia's finest chamber choir – the embodiment of the art of choral chamber singing. Founded in 1985 by Carl Crossin (Artistic Director and Conductor 1985 – 2021), ACS have been passionate and innovative contributors to music-making for 40 years.

Led since 2022 by Artistic Director and Conductor Christie Anderson, the ensemble's membership is drawn from amongst Adelaide's best and most experienced ensemble singers, many of whom are also conductors, soloists, teachers and independent artists.

Since the beginning, ACS has existed to showcase the highest order of musical interpretation, to transport our audiences to new heights, and to challenge the very boundaries of what choral music can be. Our combined voices echo the majesty of the great cathedrals and concert halls of the world, but our sound and our soul is proudly grounded in the intimacy and warmth of our home city of Adelaide.

ACS have been honoured by a number of awards including an Arts South Australia Ruby Award for "sustained contribution by an organisation" (2011), and a Ruby Award for the world premiere season of *Watershed: The Death of Dr Duncan* (2022) at the Adelaide Festival. ACS' eight international tours have also garnered international accolades including "Choir of the World at Llangollen 2013" at the Welsh International Musical Eisteddfod.

ACS is frequently invited to support and collaborate with a wide range of artists including The Rolling Stones, VOCES8, The Tallis Scholars, Kronos Quartet, Hilltop Hoods, Greta Bradman, and Katie Noonan. 2023 saw ACS work with the incredible British ensemble, The Gesualdo Six, as part of the UKARIA A Cappella Academy. A strong and consistent advocate for Australian music, ACS has proudly commissioned over 30 new works from established and emerging composers.

Recent achievements include the launch of Rising Voices – a high-level training ensemble conducted by both Christie Anderson and ACS Founder and Conductor Emeritus Dr Carl Crossin OAM, with mentors from the core ensemble.

In October 2023, ACS hosted the inaugural Adelaide Chamber Choir Festival to tremendous success, cementing Adelaide's place as "the choral capital of Australia" (InReview). Most recently the ensemble has performed Anne Cawrse's *All Flesh is Fire* for Adelaide Biennial of Australian Art and appeared in the Adelaide Festival 2024 with *There Will Come Soft Rain*.

ACS's future plans include exciting collaborations with inspirational artists and a goal to embark on an international tour in 2026, showcasing their exceptional skill and sharing the aural magic that has made ACS renowned on the global stage.

Heal You

Presented in Partnership with Adelaide Festival 2025

Thur 13 March, 7.30pm

Adelaide Town Hall

Heal You is a transformative journey of healing, peace, and belonging.

Music has a profound ability to heal and restore, touching both the heart and mind in ways that transcend ordinary communication, and nothing expresses this more keenly than the human voice.

As part of our 2025 Adelaide Festival program, we articulate this healing with exquisite musical responses, from early 20th Century works; Josef Rheinberger's *Abendlied* and Charles Villiers Stanford's *The Bluebird*, and contemporary repertoire with prayers against violence, tyranny and homelessness, with Caroline Shaw's *and the swallow*, Anne Cawrse's *Night/Light* from the 2024 commission *All Flesh is Fire*, Anna Meredith's *Heal You* and Jake Runestad's *Let my love be heard*.

Also featuring music by Joanna Marsh, Ēriks Ešēvalds and Emeli Sandé.

Commission

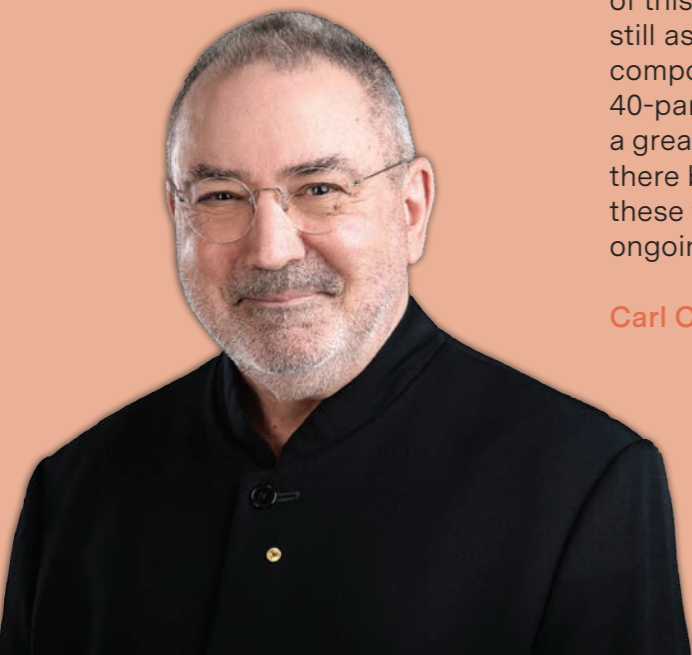

Imagine St. Peter's Cathedral resonating with the rich harmonies of two compositions, each crafted for forty distinct voices and written 455 years apart.

Inviting Carl to compose ACS' 40th Anniversary work for forty voices, in a joyous exchange with Tallis' *Spem in alium*, is a feast for the ears, and a truly special gift for any listener. ACS is honoured to continue commissioning outstanding Australian composers, preserving the legacy of new Australian choral music, and exciting and inspiring audiences with each new creation.

This commission is made possible with the generous support of the Adelaide Chamber Singers Supporters Fund.

"I am incredibly excited by this commission from Adelaide Chamber Singers to compose a new work especially for the choir's 40th Anniversary in 2025. I was present at the birth of this wonderful ensemble, and I feel very fortunate to be still associated with them 40 years later. The opportunity to compose a companion piece for Thomas Tallis's glorious 40-part motet *Spem in alium* is both a daunting prospect and a great privilege. But then again, what better inspiration could there be to contribute to such a joyous milestone for Christie, these fabulous singers, and the Adelaide Chamber Singers' ongoing legacy."

ABOUT RISING VOICES

In 2022, ACS announced a new seasonal ensemble, Rising Voices: the next generation of Adelaide Chamber Singers.

Made up of Adelaide's finest emerging vocalists, these talented and passionate performers are equally committed to the pursuit of excellence in choral singing and are the future of our artform.

Each year Rising Voices presents one concert in the ACS season. With mentoring from members of our core ensemble and leadership both from Christie Anderson and Carl Crossin, we ensure these artists continue to learn and grow as individuals and as an impressive ensemble in their own right.
